We had great representation this year at the golf tournament; the Minnesota teams consisted of **Wesly & Glenn Johnson and Jared & Randy Carlson**; along with the winning team of **Lynn Ewald, Mark, Matt and Jim Purfeerst**. Congratulations!

To those that it was your first Junior Nationals, we hope that you had an amazing experience. There are so many activities to take in and we hope that you were able to either participate or watch some of them. For some, it was there last year participating in National activities. We hope that these years in the Angus Association have been memorable.

Thank you to all of the parents. As Junior Advisors we appreciate everyone's help and dedication to making this a fun experience for all the Juniors. Thank you for the help in designing and executing our state display and keeping our stall area neat and tidy (2nd in herdsmanship!). Helping get Juniors organized and on time to contests & show arena was also appreciated.

With all the help from the Dads, our Tailgating Party was a huge success. We had over 350 bottles of water and ran out!

Livestock Judging results have not been received yet, but will updated as soon as the list of the placings are known.

Congratulations to the following:

Jaden Carlson on receiving her Gold Award! That is quite an accomplishment.

JasiAnna Borman and **Alyssa Nesler**, thank you for representing us as MN royalty in the ring. We appreciate your time and it sounds like the Queen's Tea was a good time.

Jorli Hauge and **Wesly Johnson** in Showmanship competitions! To have both of you rise to the top is amazing at the National level.

JasiAnna, you impressed all of us with your ability in the Career Development contest. FIRST place overall in the Senior Division! WOW is all we can say. Maybe you can pass some of your knowledge onto the younger Juniors.

Kourtney Allen, we are so proud of you that at your first Nationals you took on the Extemporaneous Speech Contest. Great Job!

Allyson Stanek, Caroline and Bodie Mayer all represented us in the Photography Contest. Looks like Dawn might have some upcoming competition.

We had three from our State with 1st place Bred and Owned Steers in their classes. Congratulation to **Dawson Johnson, Alyssa Nesler and Allyson Stanek**.

Congratulations to **Wesly and Jaden** for receiving scholarships. You were both selected out of many applicants and it speaks highly for both of you.

Dawn Hauge, Thanks is not enough for all the pictures you take for and of us. We love that you can capture all of our activities and accomplishments to share with friends and family that cannot attend.

Mark your calendars for next year in Des Moines! July 9-15, 2017; "Winning with the Angus Team".
