Then stick around on Saturday for a great sale. Our sales committee has worked hard to put together another set of outstanding Angus females from across the state. This sale continues to grow and develop each year, with the heart of many herds offered up for sale. Whether you are looking for open females, bred heifers, embryos, or flush opportunities, this sale is certain to have something to suit your needs. We have also snuck in a few fancy show steers for our Juniors to pick from.

We hope you can join us for a unique opportunity to own influential Angus Genetics from top herds here in Minnesota. Please visit our Minnesota Angus Association website for links to our catalog and videos, or check out DVAAuction to register & view the information there.
